

This Agreement (this "Agreement") apply to the purchase of equipment, products, and spare parts ("Equipment"), including purchases made by the customer ("Customer") through OCULUS Inc.'s (the "Company") online shop ("Online Shop") and to the performance of all services by the Company, including repair work (collectively the "Services"). Customer hereby agrees to this Agreement and acknowledges that the purchase of any Equipment or performance of any Services is expressly conditioned on Customer's acceptance of this Agreement.

1. Inspection and Limited Right to Return. Customer is solely responsible for inspecting the Equipment and ensuring that it meets Customer's specifications and requirements. Customer shall examine and test the Equipment upon delivery and notify the Company in writing, within five (5) calendar days of receipt of the Equipment, of any defects, or any missing or damaged parts and furnish such written evidence or other documentation as is reasonably required by the Company. Absent such notice or supporting documentation, the Equipment shall be deemed accepted by the Customer, and any right of Customer to reject the Equipment shall cease, upon receipt and the Limited Warranty (defined below) shall be void. Any alteration of the Equipment by Customer also constitutes acceptance. If Customer properly notifies the Company of any such defects, or missing or damaged parts pursuant to this Section 1, Customer shall have a limited right to return the Equipment within thirty (30) calendar days of receipt (the "Return Window") provided that Customer properly packs the Equipment, with all of its parts, in the original packaging materials and ships the Equipment, undamaged and insured, to the Company's principal place of business located at: 17721 59th Avenue NE, Arlington, WA 98223 ("Principal Address"). Customer acknowledges and agrees that if Customer returns the Equipment within the Return Window, Customer is responsible for all costs associated with: a) shipping (original delivery and return) and insurance; and b) replacing any damaged or missing parts as solely determined by the Company, the latter of which will be deducted from the total amount refunded to Customer.

2. Limited Warranty; Remedies. Company warrants that (a) the Equipment sold shall be free from defects in materials and workmanship for a period of twelve (12) months after delivery; and (b) Services rendered shall be performed consistent with generally accepted industry standards and shall be warranted for period of six (6) months from the date of performance of the Services; provided, however, that the Company-certified "pre-owned" and/or demonstration Equipment have a limited warranty period of six (6) months (collectively, the aforementioned warranties are hereinafter referenced as the "Limited Warranty"). **THE FOREGOING LIMITED WARRANTY IS THE SOLE WARRANTY PROVIDED, AND THE COMPANY HEREBY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.** The sole and exclusive remedy related to the Limited Warranty shall be repair or refurbishment of the Equipment at the Principal Address. Customer acknowledges that with respect to any Limited Warranty claim, Customer must give the Company written notice of such claim within five (5) calendar days of discovery, or the Limited Warranty shall be void. **IN NO EVENT SHALL THE COMPANY BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT, INDIRECT, SPECIAL, CONSEQUENTIAL, INCIDENTAL, PUNITIVE OR EXEMPLARY COSTS OR DAMAGES, INCLUDING WITHOUT LIMITATION, COMPENSATION FOR LOSS OF USE OF THE EQUIPMENT OR LOSS OF PROFITS. IN NO EVENT SHALL THE COMPANY'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER IN CONTRACT, TORT, OR OTHERWISE, EXCEED THE TOTAL AMOUNTS PAID TO THE COMPANY FOR THE EQUIPMENT AND SERVICES.** Customer further acknowledges that the foregoing Limited Warranty is contingent on the following: (x) Customer must maintain the Equipment as specified in the (i) operation manuals pertaining to the Equipment; (ii) correspondence directed to Customer by the Company; and/or (iii) service and maintenance notices automatically generated through the Equipment's systems (which such notices cannot be disabled); (y) Customer agrees to operate/use the Equipment in its intended manner and only for its intended purpose; and (z) Customer, its employees, agents and contractors shall not cause damage to the Equipment through their negligent use, operation or storage of the Equipment. In the event that Customer fails to comply with (x)-(z), the Limited Warranty provided shall be inapplicable and automatically voided. Any repairs or replacement of parts outside of the Limited Warranty shall be at Customer's sole cost and expense.

3. Payment and Security Interest. In consideration of the sale of the Equipment and/or the performance of Services by the Company, Customer agrees to pay for the Equipment and for Services rendered in the manner and within the timeframe set forth in the invoice issued by the Company, respectively. If such payment is not timely made, in addition to all other remedies under the law, interest shall accrue on the unpaid balance at the higher of twelve percent (12%) per annum or the highest rate permitted by applicable law. Customer shall reimburse the Company for all costs incurred in collecting any late payments, including, without limitation, attorneys' fees. Until the amount owing for the Equipment has been paid in full, Customer hereby grants the Company a security interest in the Equipment and consents to the Company filing a UCC-1 financing statement to perfect such interest within ten (10) days of any delinquency or non-payment of the unpaid balance. Customer agrees that while any payment and/or balance remains outstanding, the Equipment will not be sold, assigned, encumbered, transferred or otherwise pledged by Customer or removed from Customer's place of business without the advance written consent of the Company. In the Company's sole discretion, the Company may require Customer to make an initial deposit by credit card for the purchase of certain Equipment, however the balance owed for such purchase shall be paid by check or ACH as detailed on the invoice. Notwithstanding anything to the contrary in this Agreement, the Company only accepts credit card payments for the purchase of spare parts and Online Shop orders. Customer shall not withhold payment of any amounts due and payable by reason of any set-off of any claim or dispute with the Company.

Customer further expressly acknowledges, consents and agrees that the venue for any action relating to the Equipment or Services, or to enforce this Agreement, shall be in Snohomish County Superior Court State of Washington. 5. Indemnification. Except to the extent of the sole negligence of the Company, Customer agrees to indemnify, hold harmless, and defend the Company, its officers, directors, representatives, agents and employees, with counsel of the Company's choosing, from and against any and all costs, losses, damages, demands, expenses, claims, actions, judgments, settlements, interest, penalties, fines, or liability of any kind or nature whatsoever, including attorneys' fees and costs and fees and costs of enforcing any right to indemnification under this Agreement, arising out of any third party claims against the Company relating to (a) Customer's, or its agent's or representative's, use of the Equipment; (b) Customer's, or its agent's or representative's, negligence, willful misconduct, or breach of this Agreement; or (c) the Services performed by the Company. Customer shall not enter into any settlement arising out of, relating to, or in connection with the Equipment or the Services without Company's prior written consent.

6. Software. Subject to Customer's compliance with the terms and conditions contained herein, the Company hereby grants to Customer a non-exclusive right and permission to use the software included or associated with the Equipment (the "Software") solely in conjunction with normal and ordinary use of the Equipment as set forth in the Company's operating manual or instructions. Customer acknowledges that the Software, its structure and organization constitute valuable trade secrets of the Company or its suppliers. Except as may be permitted by applicable law, Customer shall not otherwise use the Software and shall not reproduce, modify, translate, enhance, reverse engineer, decompile or disassemble, or create derivative works of the Software and will not otherwise attempt to reconstruct or discover the source code for the Software. Customer agrees to use the Software only with the Equipment purchased from the Company.

7. Entire Agreement; No Oral Agreement. This Agreement constitutes the entire understanding and agreement of the parties with respect to Customer's purchase of the Equipment from the Company. All prior agreements, understandings, or representations between the parties with respect to the subject matter of this Agreement are hereby canceled and are of no further force or effect. It is expressly acknowledged that there are no oral or other agreements which modify or affect this Agreement. To the extent Customer requires the Company to execute any document(s) relating to the purchase of Equipment by Customer from the Company, Customer expressly acknowledges, in advance, that the terms of this Agreement control over any other terms, or subsequent document or agreement, to the extent any such terms conflict with this Agreement. Customer understands that the Company is expressly relying upon this provision with respect to any sale that takes place between the parties. Customer expressly acknowledges and understands that the Company has made no representations or warranties, verbal or otherwise, other than as expressly included herein.

8. Warranty of Authority. If signing on behalf of an entity, the individual signing this Agreement below warrants and represents that such individual is duly authorized and empowered to enter into this Agreement and bind the entity hereto.

9. Non-Waiver. In the event Company fails to promptly enforce any right it may possess under this Agreement, such failure shall not be construed as a waiver to enforce said right by Company and shall not be deemed a waiver of any subsequent breach of the same or any other term, covenant or condition of this Agreement.

10. Severability. If any term or provision of this Agreement is determined to be invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.
